Global Audit Championship

What is the storyline of Audit Champion Business Game?

You are the right candidate! Your current Chief Audit Executive has nominated you. Your boss is convinced that you have what it takes! You have the chance to apply for the position of Chief Audit Executive in the newly established subsidiary in the Group. The competition is fierce, there are applicants from outside the company and from other legal entities within the company. You can do it and you are up to the challenge! **7 audit methodology training sessions** prepare you for the big final round when you will face the questions of the audit committee members.

It combines a **strategy training game** with a system of **audit know-how** questions and answers.
